

Beyond Blindness Trevor Frost Award for Music or Performing Arts

In 2017, Beyond Blindness (Blind Welfare Association of SA) established an annual award to assist a young South Australian with a vision impairment to further develop their skills in music or the performing arts.

The \$2000 award has been named in honour of the late Trevor Frost. Trevor used his own personal experience with vision loss and his passion to help others. He assisted many newly vision impaired South Australians with support and advice through his wonderful work at the Low Vision Centre and this is recognised in the naming of this award after him.

The Purpose

To recognise the potential of a current vision impaired student in the field of Music or Performing Arts and assist them to further achieve their potential through the provision of a grant of \$2,000 to be used for additional tutoring or the purchase of musical instruments or equipment.
